

*Io getto a voi tutti i miei fiori del Vittoriale  
perché da voi sieno intrecciati alle cerimonie di questo rito d'amore e d'orgoglio*

*L'allegoria dell'autunno*

*Loggiati*

*The Loggiati connect the most recently-built part of the museum complex (namely Schifamondo) to the Priory, archives and library.*

*The Loggiati are covered terraces that directly face onto the small square opposite the poet's home, from which one can enjoy a magnificent view of the lake.*

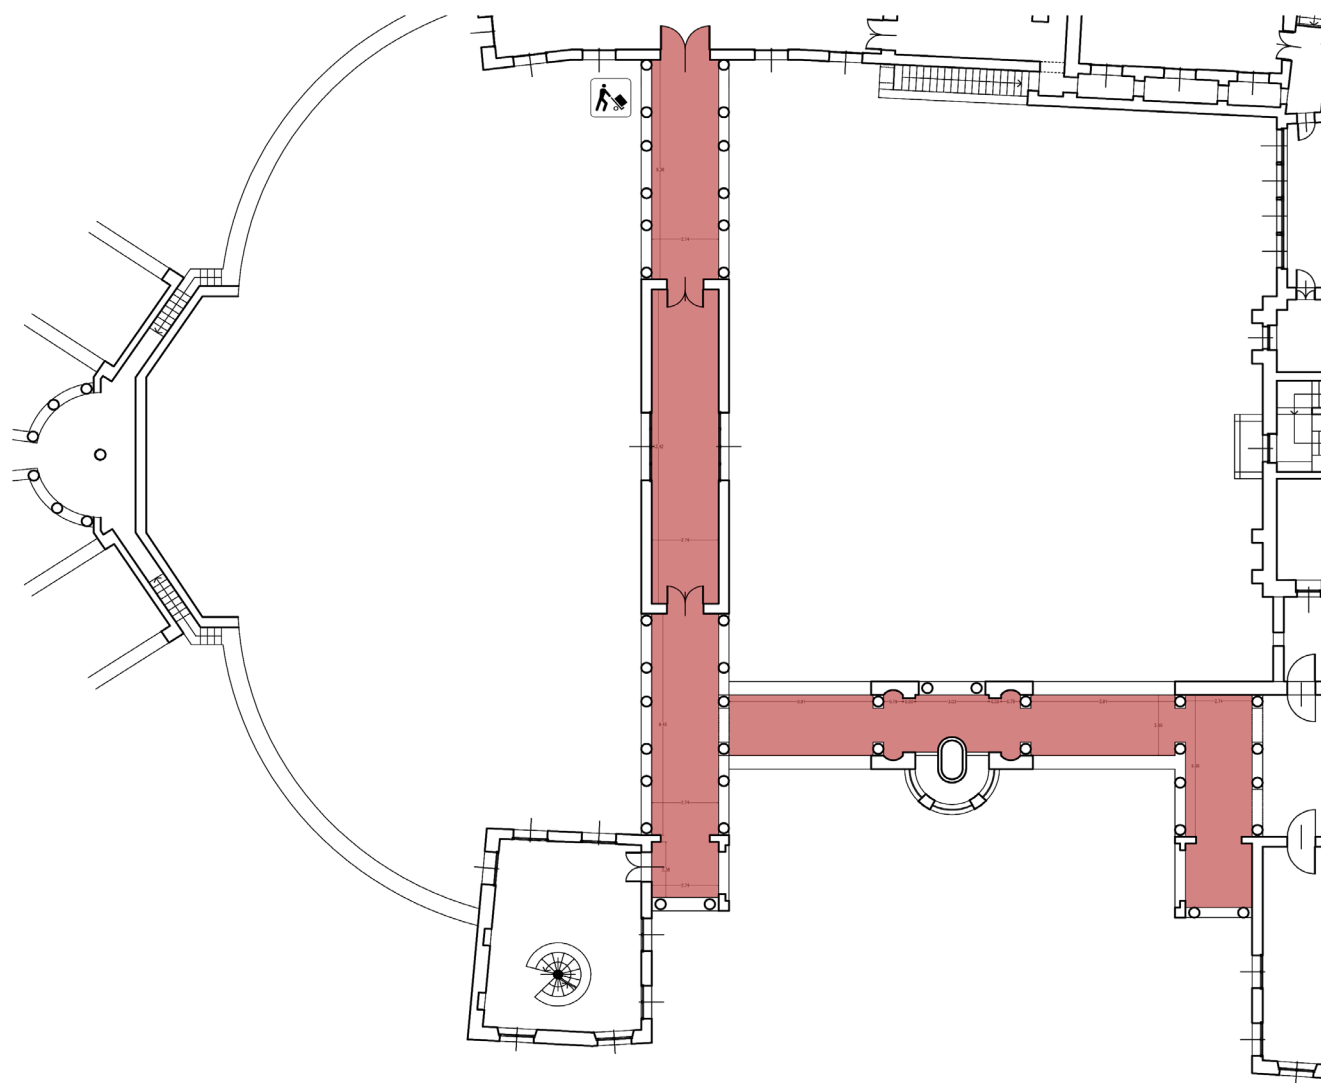

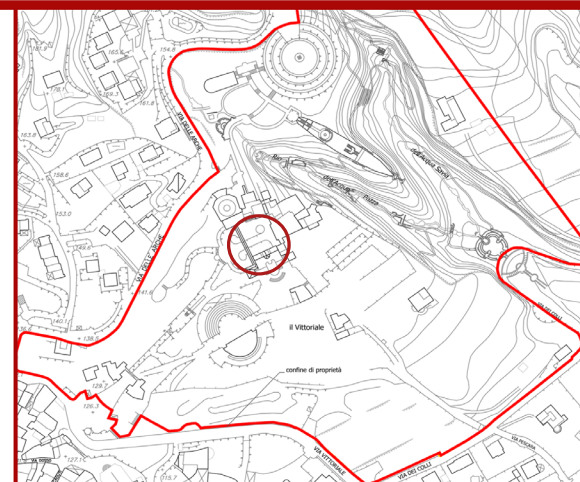

*The charm of culture, together with the beauty of the Garda territory, will turn the day of your ceremony into a Vittoriale day.*
